states that the local bodies are agreeable to meet half of the excess cost over the original estimate and requests to early orders in the matter

4 The D P H submitted proposals to get the work done at 25% higher than the original estimate of Rs 11,190/- the excess cost involved being Rs 2657/- (2657)

It is stated that as only a sum of Rs 10,000/- is available towards this work, the balance of Rs 3,847/- [Rs. 2657 + Rs 1190] is required which sum is proposed to be met by the Local bodies and the govt in equal proportions

6 The local bodies are agreeable to meet their share of the extra contributions for works are

7 1) Sanction to entrust the work at 25% higher than the original estimate, resulting in an excess of Rs. 657/ of the estimated cost of the work i.e. Rs 11190 to Rs 13847/

Sir,

Hassan Drainage Stage -- IV Stage Revised Officer of the Tenderer enhancing the rate from 25 to 45% over the estimated rates

With reference to your letter No L 7100/M1 77-43 dated 15th January 1944 calling for the revised estimate for Rs 13,847 for the IV Stage of the Hassan Drainage Scheme, based on the 25% higher tendered rates recommended in this office letter No C 309-36 dated 30th June 1943, I have the honour to enclose herewith in original letter dated 4th March 1944 of the Contractor, Mr Hussain Ali Baig, addressed to the Sanitary Engineer, praying for 45% above the estimated rates in place of 25% tendered for previously

The Sanitary Engineer opines that the 45% increase applied for is high and has asked for permission to refund the earnest money of the tenderer, and to call for fresh tenders. In view of the high rate at which the tenderer has now asked the work to be given to him, the Sanitary Engineer is this day requested to call for fresh tenders and to refund the earnest money to the tenderer

Under the circumstances the submission of the revised estimate does not seem necessary

A further reference will be made to Government on receipt of fresh tenders for the work

I have the honour to be,
Sir,
Your most obedient servant

Director of Public Health
